

**E TECH  
GROUP**

## **Frequently Asked Questions for Clients Regarding E-Volve and E Tech Group**

---

### ***How will the acquisition impact my projects?***

There will be no change to ongoing projects; you now have access to a deeper bench and more diverse expertise to support your needs.

### ***How will I benefit from the acquisition?***

You're getting a larger, multinational team with diverse expertise! E Tech Group has locations and resources located throughout the United States, Canada and Mexico. In addition to deep expertise in Life Sciences, Consumer Packaged Goods and Food & Beverage, E Tech offers a full suite of engineering and system integration services, from continuous and batch processes to discrete manufacturing, to operations and management, cybersecurity and industrial IT. Learn more about E Tech Group here - <https://etechgroup.com/>

### ***Will my pricing change?***

All current pricing and proposals will be honored.

### ***Will my agreement still be in effect?***

Yes, all agreements will remain in effect. New agreements will be signed under the parent company E Tech Group.

### ***Will open proposals or quotes still be honored?***

Yes, all current open proposals or quotes will be honored.

### ***Will I be working with the same team?***

Yes, although we may be able to bring more team members in to help out so let's discuss!

### ***Who do I contact if I have a concern or need assistance?***

You can still refer to your regular project contact for questions.

### ***Where should I send checks to?***

You will send checks to the same place for now.

### ***Do I need to set up a new vendor?***

Not for existing agreements. Yes, we do need to set up E Tech Group as a vendor for future agreements.
